The following issues were raised:-

Speeding – Corley Rocks, during working hours, Arley, Fillongley & Meriden

Rural break-ins – Green End

Co-op delivery drivers parking dangerously outside the Co-op, causing obstruction and poor visibility to traffic and residents.

Police to investigate and report back to the next forum meeting

Following discussion the priorities identified were:-

- Speeding/motorcyclist incidents – Arley, Corley, Fillongley & Shustoke
- School parking improvements/solution for all schools in area.

4. Review of Area Forum Working

Members of the Forum were invited to offer comments on how engagement with local communities might take place in the future - democraticservices@northwarks.gov.uk

The following comments were noted:-

- Some members of the forum found the meetings useful, a chance to meet Councillors, Police & Officers from WCC & NWBC
- Brings Parish Council's together
- Poor promotion, North Talk – the dates for the forums are included but no venue (TBC)
- Presentations – need for a bigger screen, microphone and larger text
- The forums should take place at one venue, not alternating like they do now.
- Agendas are boring, need a good subject to draw people to the meeting

5. Questions & Issues from the Parishes:-

- Concerns raised regarding change of use of land to HGV parking, Corley Services.
- Concerns raised regarding proposed new build homes, Church Lane, Corley.
- Anti-social behaviour – Hill Top, Arley, no support from Waterloo Housing, NWBC to investigate.
